

RETAIL SOLUTIONS

As well as online solutions Media Storehouse can offer a variety of solutions for the retail environment. All of these are manufactured to a very high standard and will greatly enhance your customers choice and your bottom line.

Photobags

Photographic Prints 10x8" (254x203mm). Our photographs are professionally printed on true photographic paper and can be supplied in official packaging which includes a printed backing card and euro slot. Our quality metal spinner racks provide an ideal display solution for one of our most popular lines. Spinner racks make an efficient use of space and assist customers in browsing the product. You can display over 500 10x8" (254x203mm) photographic prints on our spinners!

Photographs Mounted or Individual

Mounted photographic prints 8x6" (203x152mm) are a great way of offering a quality product to all customers. These consist of a professionally mounted photographic print and card stand.

Photographic Prints 6x4" (152x102mm). These are a favourite amongst the younger customers as they are very affordable and a great way of collecting your favourite images. There are two styles available and spinner racks are also available.

Postcards

Postcards are one of the core products of any sporting retailer and we are able to produce the following sizes. Our professional designers are able to produce various designs to suit all requirements.

Standard 6x4" (152x102mm) Panoramic 10.5x4.25" (269x108mm)

Framed Prints

All of our framed products are professionally produced in-house at our premises in the UK. All products are produced using the highest quality materials and we pride ourselves on being flexible with what we can offer.

Framing Limited Editions

We are able to produce stunning limited editions which can be framed in various styles and accompanied by a certificate of authenticity. These pieces incorporate multi-aperture mounts allowing further information to be added such as text, crests and additional images.

Single Use Cameras

We are able to supply single use branded cameras with built in flash. The design is only limited by your imagination. Available with euro slot hanger. These cameras come with 24 exposures and are available in two types Card Wrap Around and Plastic Body

Jigsaws

Jigsaws have always been a favourite with people of all ages and we are proud to be able to offer two sizes each consisting of 500 or 1000 pieces. A Panoramic Style Jigsaw 38x13.4" (965x340mm) or a Standard Style Jigsaw 27x19" (685x482mm)
